6. TEAM PICTURES WILL BE TAKEN.

We will be taking team pictures (that is a picture of all players and coaches standing together) instead of piecing players together. Any players who can't make the team's scheduled time slot can still come in for their picture. They will still get a Player with Team image; however they will be marked as missing from the team portion of this image. To maintain a high-quality product and a consistent look, we **will not** photoshop individual players or coaches into the team photo.
